

Wednesday 20th July 2023

Dear Parents of 2023/24 Year 2 children

Year 2 Class visit to Delamere Forest

On **Friday 29th September** we have planned an exciting Year 2 visit to Delamere Forest to support our science work focussed around 'Animal Habitats'. The day will include 2 exciting workshops within the forest led by one of their educational rangers.

We are asking for a voluntary contribution of £22.00 per child (to be paid on School Gateway) so that the visit can take place. No child will be excluded for non-payment, but if not enough donations are received, the trip may not be able to go ahead.

On the day children will be required to wear their own clothes suitable for the weather (details during the days leading to the visit) and bring a packed lunch including a drink in a labelled, disposable bag or a packed lunch can be provided by school; please can you indicate on School Gateway in the comment section if your child will require a school packed lunch. The consent box will also need to be ticked.

If you have any questions or queries, please do not hesitate to ask.

Many thanks for your support.

Mrs Windsor and Mrs Craven - Year 2 teachers
