

Homework Grid – Autumn Term

- Please complete **6** of the tasks below over the **Summer Term** (from now until the end of summer term) The tasks relate to our Class Topic of: *Rainforests*
- You could tick off a task as you complete it!
- The homework tasks should be completed directly onto Seesaw, or you can bring items in to show to the class. Remember to upload any written work, photos, drawings/diagrams, PowerPoint slides etc onto Seesaw. Please remember high standards of presentation!

<p>Rainforests are home to some of the weirdest and most unusual plants in the world. Can you find out what some of these plants are?</p>	<p>Can you design and draw your own rainforest animal? What does it look like? What can it do? What's its prey and who hunts it?</p>	<p>Create a picture or collage of exotic birds or animals that live in rainforests.</p>
<p>Investigate facts and figures about rainforests. Can you find the average rainforest rainfall? Can you input the data onto a spreadsheet?</p>	<p>Take pictures to show the life cycle of a plant.</p>	<p>How many animals can you find? Choose one rainforest and find out which animals live there. Choose no more than 10 different species and find out how many live there. Make a bar chart to show this</p>
<p>Every year, hundreds of thousands of trees are cut down and taken from our rainforests. Create a poster campaign to encourage people to stop destroying the rainforest.</p>	<p>Find and label the rainforests on a world map. What countries are they in?</p>	<p>Research and write down 10 items of food sourced from the rainforests.</p>
